

A close-up photograph of a dandelion seed head on the left side of the frame. The seed head is brown and textured, with many white, feathery seeds blowing away from it towards the right. The background is a clear, bright blue sky. The overall scene is bright and airy, suggesting a breezy day.

To BREEAM or not to BREEAM

The perspective from three case studies in Belgium

location: Palais des festivals, Agora, level -1
Date: Wednesday 09/03 at 18h00
